Fairmont Chateau Lake Louise

Trade Show Invitation

The [Alberta Association of Community Peace Officers](#) would like to invite you and your company to participate in our annual AACPO Conference Trade Show on **Wednesday, February 5th, 2025** at the Fairmont Chateau Lake Louise

Who Are We?

The Alberta Association of Community Peace Officers (AACPO) is comprised of over 125 agencies (members) that are represented by more than 1,700 Officers from across Alberta. These Officers are employed by local Counties, Municipalities and Organizations to provide provincial statute and municipal bylaw enforcement to the communities in which they serve.

Many are emergency 1st responders that regularly attended motor vehicle collisions, emergency situations and disasters. Peace Officers can be found patrolling roadways, neighbourhoods, parks, transit systems, hospitals, and more to ensure public safety within the communities they serve. Many of our officers can be found filling other roles in their community as well such as Animal Control, Emergency Management and Disaster Services members, Child Seat Technicians and School Resource Officers. Off duty these Officers are active in their communities volunteering as sports coaches, members of local Search and Rescue Teams or taking part in programs like D.A.R.E. and the Special Olympics.

Each year AACPO develops and provides a conference in early February, for the benefit of all association members and other law enforcement officers from across Alberta and beyond.

This conference provides important access to training and recertification for our members in addition to being a forum for members to share their experiences, network and provide recognition at an annual awards banquet for those officers who will receive special awards and metals from the Association, the Provincial or Federal Governments.
